### General Tips

- **Report Suspicious Behavior**  
If you observe any suspicious behavior, unattended bags or potential threats, immediately report them to event staff, security personnel or law enforcement officers. Your vigilance can help prevent incidents and ensure the safety of all attendees.
- **Stay Hydrated and Take Breaks**  
Depending on the event and weather conditions, it's important to stay hydrated. Drink plenty of water and take regular breaks, especially during outdoor events or when physical exertion is involved.
- **Buddy System**  
Establish a buddy system with friends/colleagues. Look out for each other and stay together, especially in crowded or unfamiliar environments. In case of separation or communication difficulties, have a designated meeting point and a plan to communicate.
- **Secure Your Belongings**  
Keep your personal belongings secure at all times. Use bags or purses that can be worn across the body or have secure closures. Avoid carrying large amounts of cash or valuable items.

## ADNET MEDIA

- **Stay Connected**  
Ensure your mobile phone is fully charged before attending the event, and be sure to pack a travel charger. Have important contact numbers saved, including emergency services and trusted contacts.
- **Dress Comfortably**  
Wear appropriate clothing and footwear for the event, considering factors such as weather conditions and activities involved.
- **Pace Yourself**  
If the event spans an extended period, pace yourself and listen to your body. Take breaks, rest when needed, and don't push yourself beyond your limits.
- **Follow Venue Emergency Procedures**  
In case of an emergency, follow instructions from venue staff, security personnel or emergency responders. Familiarize yourself with the emergency exits and evacuation routes when you enter a venue.
- **Conduct Yourself Appropriately**  
Harassing or offensive behavior will not be tolerated. Adnet Media reserves the right to revoke, without refund, the access/badge of any attendee not in compliance with this policy. Any form of abuse, physical or verbal, will not be tolerated and will be grounds for immediate removal from the premises, no questions asked.

## Awards Events

- **Arrive Early**  
Plan to arrive early to allow sufficient time for security checks, ticket verification and finding your seat. This helps avoid any last-minute rush or potential overcrowding.
- **Follow Entry Procedures**  
Cooperate with security personnel and follow their instructions during the entry process. Be prepared to go through metal detectors or have your bags checked.

## ADNET MEDIA

- **Respect Security Measures**  
Understand that the purpose of security measures is to ensure the safety of all attendees. Cooperate with security personnel, allow them to perform necessary checks, and avoid any confrontations or resistance that could disrupt the event.
- **Stay in Designated Areas**  
Adhere to the seating arrangements and designated areas specified for attendees. Avoid entering restricted zones or areas reserved for show participants and event staff.
- **Be Respectful and Courteous**  
Show respect and consideration for fellow attendees and event staff. Refrain from excessive noise, disruptive behavior, or unauthorized photography or recording.

### Talent Attendees

- Our ultimate safety standard is “Your Body, Your Choice.” You should always feel comfortable and in control of the experience while at an Adnet Media event. Do not hesitate to contact event staff or venue security if you feel otherwise in any way.
- “Your Body, Your Choice” also extends to images. Professional cameras are not allowed to anyone but accredited press. If any attendee wants to take a picture of you or with you, they should obtain explicit consent from you before doing so. If you see anyone taking unsolicited photos, inform event staff or venue security immediately.
- If you see something that shouldn’t be happening, or a person in a situation that may be potentially disturbing to them, do not hesitate to contact event staff or venue security on their behalf.
- Be comfortable with saying “No” to any requests that cross your boundaries. One “No” should be sufficient. If the person persists, contact event staff or venue security to report the harassment.

## **ADNET MEDIA**

- We encourage everyone to limit interactions with attendees to the premises of the event venue, where staff and security will be available for any eventuality. We discourage you from making arrangements to interact, outside of the event venue, with attendees with whom you are unfamiliar. If anyone asks you to meet outside, we suggest you politely decline. If they insist, contact event staff or venue security immediately.
